

# Weekly Messages

## THIS WEEK

Meet the teacher events took place this week. It was lovely to welcome so many families to school. If you couldn't make the meeting you will find all the information on google classroom.

Thank you to the PTFA who organised the sustainable uniform shop.

**A reminder that school will be closed next Friday 4th October for INSET training.**

## JEWELLERY

Our curriculum at St David's offers many opportunities for children to be active throughout the day.

Wearing jewellery during these active times can be a safety issue.

Therefore, we ask that children wear no jewellery to school apart from a small pair of stud earrings and a watch if they wish. Please support us with this. Thank you.

## SAFETY

You may have noticed that our Junior Road Safety Officers (JRSO's) are back on duty.

They will be encouraging everyone to park sensibly and keep our school community safe.

Please support them with their roles.

We continue to request that everyone supports the one way system we have in place.

It is there to keep our children safe which is a priority for us all. Thank you for your support.

We are pleased to offer the option of breakfast club and afterschool club within the school building.

Please remember that you must be registered to use breakfast club as we need to ensure appropriate staff ratios. Please contact the office if you have any questions.

If you need any information about after school club please contact simply out of school directly.

Extra curricular clubs will start next week. All children who have registered are able to attend their club of choice. All clubs will finish at 4.30. Thank you to staff for volunteering additional hours to run these clubs.
