

# Weekly Messages

## PARENT EVENING

Our next parents' evening will be held online during the week beginning 10th March. Further instructions on how to book will be shared soon.

## NURSERY PLACES

We are now accepting applications for children who are eligible to start Nursery in September 2025. If you know anyone who is interested in joining St David's please do pass on the school details and ask them to contact the school office for a tour.

## FILM NIGHT

A huge thank you to our PTFA who organised two fantastic film nights. All children were impeccably behaved and really enjoyed the film. Thank you for helping us to raise vital funds for our school.

## KEEPING CHILDREN SAFE

Keeping ourselves and people around us safe is one of school rules and a key part of our curriculum at St David's.

Part of this is understanding their right to say no and that if they speak out someone will listen.

We use the NSPCC "Pants" resources to help explain this in an age appropriate way. The website includes advice and helpful tips for parents to encourage simple conversations with you child about the "PANTS" rule.

## In the news this week

The Nepalese government has announced that, from September, climbers aiming for the world's highest mountain will have to pay just over £12,000 (\$15,000) during the main climbing season. This is over \$4,000 more than the previous permit fee for climbing Mount Everest. There have been concerns that there are too many people climbing the mountain, leaving rubbish and not respecting nature. It is hoped the extra money will go towards protecting the area from tourists.

### Things to talk about at home ...

- Why do you think so many people want to climb Mount Everest? Can you imagine what it feels like to reach the summit?
- Can you recall some of the places you have visited as a tourist? These could be close to where you live, or further away. Talk to someone at home - where have they visited?
- What do you think are the advantages and disadvantages of tourism?
