LITERACY FESTIVAL

A big thank you to the PTFA for organising this week's Literacy Festival! Please check the details on the email sent out through ParentPay. We're excited for a fantastic week filled with activities and a celebration of all things reading!

EASTER BONNET PARADE

On Wednesday morning, the residents of Colwinston were treated to a delightful sight as our Year 1 children paraded to the church in their beautiful Easter bonnets. A big thank you to parents for helping your children create such wonderful masterpieces. The family service was enjoyed by everyone.

ST DAVIDS SNIPPETS

Our new website now includes St. David's Snippets, which provide half-termly updates on events and activities in each of our classes. Please visit the website to read about what each class has been doing.

THANK YOU

I'd like to say a huge thank you to everyone who made the recent year 5 and 6 residential trips possible. To the staff for their enthusiasm, encouragement, and energy! They thoroughly enjoyed their time away, but we also recognise it's a tiring week, and we are very grateful. To parents for supporting us and encouraging your children to be courageous and adventurous. The thank you messages have been greatly appreciated by the staff. And finally, but most importantly, to the children, who have been impeccably behaved. They have shown everyone what kind, respectful, and fun-loving children they are. We are all very proud of you.

In the news this week

World leaders from around twenty countries are creating a group or 'coalition'. According to UK Prime Minister, Sir Keir Starmer, they will work together to support Ukraine. Their collective aim is to end the war between Ukraine and Russia. The new group setup follows a difficult meeting between Ukraine's President, Volodymyr Zelensky, and US President, Donald Trump. The two leaders argued, and the meeting ended without a solution.

Things to talk about at home ...

- > Share your knowledge of world leaders and talk to others at home about theirs.
- > In your opinion, how important is it for world leaders to work together? In what areas do you think they need to work together?
- > What about their role in helping other countries – do you feel this is always important?

Do world leaders have a duty to help other countries?
