SCHOOLS OF SANCTUARY

We are working towards becoming a School of Sanctuary. We are committed to creating a culture of welcome, understanding and belonging for all. Our diversity Dynamos will be providing you with more information over the next few months.

ECO NEWS

Next week, the Eco Committee will be planting seeds that attract bumblebees and butterflies in the front gardens. We kindly ask for your support in reminding your children to avoid walking in these areas so the flowers can grow. Thank you!

SCIENCE WEEK

We had a fantastic Science Week last week, which concluded with a wonderful Science Fair. A huge thank you to all the families who contributed and attended. Congratulations to Maibel and Oscar for winning the hamper!
