CONGRATULATIONS

Congratulations to Mrs Davies (Bethan and Rebecca's mum) and Mr Hearne (Toby's Dad) for completing the London Marathon. They have inspired us and we have completed our own mini marathon in school this week!

A special mention to Mr Rees (Eira and Renee's Dad) for winning the 1% Club last Saturday! St David's has definitely got talent!

THANK YOU

- A huge thank you to all our families who completed our readathon challenges. The PTFA activities and readathon raised over £1200 which can now be used to buy new books.
- In addition, the Tesco blue coin scheme has raised £1400 for IT resources. Thank you to all who contributed.

STUDENT TEACHERS

We have been fortunate to have two wonderful PGCE students with us this year — Miss Reffell in Reception/Nursery and Miss Ralph in Year 3.

As they prepare to leave us next Friday to begin their next placements, we want to take a moment to thank them both for their hard work, enthusiasm, and dedication.

They have been outstanding practitioners, making a real difference in their classrooms and becoming valued members of our school community.

We wish them every success as they move forward in their teaching careers.

It has been wonderful to see the children playing on the yard and enjoying all the new equipment during this sunny spell.

As the warm weather continues, we kindly ask that children bring a water bottle to school each day and come wearing sunscreen. If they would like to bring a sun hat, they are more than welcome to do so.

We'd also like to remind everyone to continue labelling all belongings — especially jumpers and cardigans. We currently have a large amount of lost property with no names, which makes it difficult to return items to their owners.

Thank you for your support

Whose job is it to keep our local places clean and tidy?

In the news this week

Many workers in Birmingham have been on strike (choosing not to work) since January, because they believe they are not being treated or paid fairly. The workers on strike are the people whose job it is to collect rubbish and empty the bins from outside homes and streets. As an all-out strike has now been going on since 11th March, huge piles of rubbish are building up around the city.

Things to talk about at home ...

- > Talk to someone at home about what happens to your rubbish. Where do you take it? Do you know where it goes? What about your recycling?
- > Tell someone at home about this week's story. What do you think it might be like for some people living in Birmingham at the moment?
